**Tender brief description:**

The Purchaser, Yme/GSA, now invites sealed Bids from eligible Bidders for the supply of Electrical Engineering/Electronics/Renewable Energy Equipment and Surveillance System for delivery, installation / commissioning, and user training at the Prof Adow TVET School in Galkayo, Galmudug State, Somalia. The Purchaser will be responsible for customs clearance and inland transportation in Somalia, from the port of entry to the project site, before the Supplier or its Local Agent executes the installation, commissioning, and user training at the School.

All international Bidders must nominate a Local Agent which is a) registered and operational in Somalia; b) handles goods' similar to those offered; c) is able and capable to conduct the Related Services at site in Galkayo (Installation, Commissioning, User Training) - with remote support from the Bidder as required; and d) available for the provision of spare parts.

The required items, quantities, delivery periods, and other details are specified in the bidding document.

**How to obtain documents:**

A complete set of bidding documents is available to interested Bidders upon request to the Project Executing Agency to [procurement@gsa.org.so](mailto:procurement@gsa.org.so) ; cc. [thorsen@yme.no](mailto:thorsen@yme.no) and [Josef.most@niras.de](mailto:Josef.most@niras.de) . The bidding document will be emailed free of charge to the requesting party. The bidding documents received from the Purchaser are not transferable.

**Submission details:**

**Bids must be delivered to the address indicated in the clause ITB 22.1 of the bidding document on or before 12:00 (Central European Time), 28th May 2025.** Late Bids will be rejected.

The Tender Process is subject to KfW's „Guidelines for the Procurement of Consulting Services, Works, Plant, Goods and Non-Consulting Services in Financial Cooperation with Partner Countries“, see <https://www.kfw-entwicklungsbank.de/Service/Procurement-Regulations/>
